

Jewellery Making

classes starting January 2026

We are now taking bookings for an in-person jewellery making course in Newark, starting Sunday 4th January, 2026. Suitable for beginners and for those needing a refresher, this 6-week class introduces students to the foundations of metalworking. You'll learn through one-on-one instruction, group demonstrations and lots of practice while you create your own pieces of jewellery. You will develop skills in sawing, drilling, filing, shaping, texturing, finishing and soldering and will be supported in producing your own designs. You'll also be taught how to work safely using the tools and processes.

The classes will run every Sunday afternoon 3.00pm until 5.00pm and every Tuesday evening from 6.30pm until 8.30pm. Although starting in January 2026 you can join the class at any time, providing we have space. Classes are limited to six students per session. Your booking will give you a 6 class pass so that you can book into whichever sessions you wish (subject to space on each specific session). You can choose to attend, for example, 6 Tuesdays, or come to both classes for 3 weeks. It's up to you.

Over the six weeks you will be able to create a couple of pieces of jewellery for yourself, whilst also meeting some lovely like-minded people who are all feeling inspired to learn a new hobby and get creative.

You can sign up for this course more than once without worrying about repeating the same lessons. I will work with you at your level as you continue to develop and produce your jewellery.

The price for 6 weeks of classes (each class 2 hours) is £120. Included in that price you will receive 100mmx100mm of 0.5 Copper sheet and 2 metres of 0.9 copper wire with which to develop your skills. As the course progresses you will be able to purchase your own silver. The amount you will need to spend on silver will vary depending on individual designs but you can typically expect to pay between £10 and £30 as a very rough guide.

Classes will be held at the 'Art Smart' studio, 4 Manners Rd, Newark NG24 1BS

Please contact Izzy Wheeldon for further information or to book your space.
